

PATHFINDER WALK

The event is named after the 2nd World War Pathfinder Squadrons which flew from airfields which surround the area of the walk. Distances of 14/23/32/42km are on offer with wonderful views across the countryside over which the Pathfinder Squadrons would have flown on their vital missions.

This is the 12th Pathfinder Walk, jointly organised by 73Sqn Walking Club and 73 (Huntingdon) Sqn. Air Training Corps. Teams are especially encouraged from youth organisations, the military, social and business groups.

Although this is not a sponsored walk the organisers have no objection to the event being used by participants to raise money for their own particular cause or charity.
